

Attention Mr. Bruce Marmont

Dear Bruce,

Jean Pierre Dutilleul has asked me to send you the following statement in regards to the film "Koyuki" and of which I am a co-producer.

1. That, I was present at a presentation of the film prior to the 1979 Academy Awards which took place at Mann's Chinese Theatre, Los Angeles, and was organized in conjunction with the Tribal Life Fund.
2. That, in my recollection of the event Jean Pierre Dutilleul did not participate in the counting of any monies received that evening.
3. That the monies received that evening just covered or barely covered the costs of organizing the event.
4. And, that subsequent to that evening I left Los Angeles, but as Jean-Pierre's associate, I have no knowledge of any monies received by him in connection with the Tribal Life Fund over the ensuing weeks or months.

Kind Regards,

Barry Williams
